

About *Ribbon of Hope*

We are an independent grass roots foundation and are not affiliated with any national organization.

You've heard the expression "When Pigs Fly". At *Ribbon of Hope*, we believe that pigs can fly. Our logo, the flying pig is one of hope. Cancer treatment can be a challenge, but having hope can help make the treatment process a little easier. Pigs will definitely be flying the day there is a cure for breast cancer!

Ribbon of Hope Foundation is an all volunteer organization.

Ribbon of Hope is a not for profit foundation organized under 501©(3). Your contributions are tax deductible to the fullest extent of the law.

Ribbon of Hope History

The *Ribbon of Hope* Foundation began in February 2003 and is supported by generous donations from individuals, corporations, and fundraisers right here in Northeast Wisconsin.

We saw a great need to start this foundation because there are many people in our area who need help with day-to-day living expenses, as well as drug and medical expenses during the difficult time of dealing with breast cancer.
